The full rate study report is available to the public by contacting the Weott Community Services District

The first year water and wastewater rates will take effect Sept 5, 2023. The second year water and wastewater rates will take effect April 5th, 2025 due to year 1 rates going into effect part way through the year. By Ordinance, the Weott Community Services District may decide to postpone moving into the following year's rates. The decision must be responsibly made, based on the factual budget.
